Dear Sir/Madam

Control of Pollution (Amendment) Act 1989
The Controlled Waste (Registration of Carriers and Seizure of Vehicles) Regulations 1991
The Waste Management Licensing Regulations 1994

Further to your recent application, we have renewed your registration as a carrier and broker of controlled waste.

Please find enclosed your amended certificate of registration as a carrier (please note certificates are not issued for brokers) and a copy of the amended details on the register. Your registration number has changed but both your old and new number appear on your certificate and the public register. Either can be used for at least the next 3 years but when you next renew your registration, only the new number will be valid. Please return your existing certificate and any copies immediately it expires.

Should any of the details of your amended registration change in the future you must notify us so we can amend the entry and send you a revised copy.

Copy certificates are available as plastic cards and cost £5 each. You can order these by completing the enclosed order form and returning it to us along with the appropriate payment. Please make cheques payable to the **Environment Agency**.

Yours faithfully
