GOOD SAMARITANS AID FALLEN SHOPPER

Here at Alan's Skip Hire Ltd, we're extremely proud of the people we employ, and it comes as no surprise that two employees of our sister company, ASH Waste Services, were recognised over the festive period for going above and beyond the call of duty. After seeing an elderly lady fall on Mold High Street, Dave and Chris, rushed to her aid, controlled the scene, directed traffic and tended to the lady whilst waiting for the ambulance to arrive. Their actions were so praised by the many witnesses that word of their heroic deeds eventually found their way to the Evening Leader who ran a piece on them over the Christmas holidays. So well done Dave and Chris, fantastic stuff!

SPECIAL OFFER

LEAP MONTH OFFER

As your chosen skip hire and waste service provider, the unique relationship we have built with you over the years allows us to understand the environment that your business operates in and the specific needs of your business when it comes to waste and resource management. What you may not be aware of, however, is that we also appreciate that day-to-day activities put a strain on workwear, PPE and corporate attire and that, when it comes to business, you only get one chance to make a first impression.

Having been established for several years, our sister company, **ASH Workwear**,

offers customers head-to-toe, managed uniform solutions for all industry sectors...but the best part is, as an **Alan's Skip Hire** customer, you get exclusive access to preferential rates and upcoming offers.

Whilst other workwear companies rely on visits to online catalogues, we go that extra step further to deliver you a totally bespoke and personalised service, by coming out to your place of business, at a time to suit, so that we can fully understand your workwear needs.

Driven by a talented and dedicated team, and with all printing and embroidery

done in-house, **ASH Workwear** can provide you with a responsive, reliable, cost-effective and tailored workwear solution to fit your specific requirements whatever they are.

So, to arrange an appointment for a free, no obligation assessment and quotation for your workwear needs please call us on **01244 671924** and don't forget to mention that you are already an **Alan's Skip Hire** customer. Oh, and if you'd like to mention you read about it here first, that would be great too!

Happy New Leap Year!

Seeing as this is the first **Alan's Skips** newsletter of 2012, and that February this year is that extra day longer, we would like to wish all our **Alan's Skips** customers a very happy and prosperous new leap year!

Ever thought what to do with that extra day this month though? A quick poll around the office shows that shopping tops the list with a meal out coming a close second. Being cheeky, we suggest a good old pre-spring clean and hire a skip (of course we would, we have even included a special leap month offer on the bottom). Whatever you decide to do though, we hope you have fun doing it!

Have You Ever...

...wondered what happens to the waste in a skip after we collect it? Well, wonder no more: **The Alan's Skips film** has finally arrived!

Go to our website www.alansskips.co.uk and click on the movie tab to watch, in stunning HD, the lengths we go to, to ensure that we deal with the waste your business produces in an efficient and sustainable manner. Alternatively, you can check out our youtube channel, subscribe, sit back and relax in the knowledge that here at **Alan's Skip Hire Ltd** we have yours, and the planet's, best interests at heart.
